## *Palm Beach*

Bright and dreamlike, Villa Palm Beach stands out among the rare subset of waterfront St. Barth villas. Situated on a sandy and private stretch of the coastline at the eastern end of Lorient Bay, this exceptional property is ideal for large families or for groups of friends seeking the ultimate in sea, sun and fun. The views from nearly every room in the house look west across the wide terrace and pool, across the sun-dappled waters of Lorient Bay to the hills of the island's leeward side. Villa Palm Beach is made for entertaining and enjoying the St. Barth lifestyle to its fullest, with a large mirror pool and a bubble tub, ample seating, and equipment like sea kayaks and paddleboards at the ready for when the mood strikes.

The main living area is open front and back, and offers a space for relaxing that shows an uncommon attention to detail in decoration and art. Four bedrooms are located just off the common area, and all provide the comfort of king or queen beds, views of the terrace and sea, and private en suite baths with Grohe fixtures and rain head showers.

To the rear of the property, past the sheltered outdoor dining area and fountain, a fifth bedroom offers seclusion and a garden view, with the added advantage of a private terrace with a kitchenette.
